

# CopsCare and NYSCOPBA

## Keeping children and communities safe!

Our focus is to facilitate the administration of educational and community outreach programs. These programs were designed as a tool for image enhancement and benevolent activity on behalf of the membership of NYSCOPBA. We create programs for the benefit and development of children; to keep them safe and to enable them to make sound choices through real world education and situational training.

**SMART Program**  
Safety Means Abduction  
Registration and  
Training. SMART is COPS  
CARE's premiere  
program.

**Choosing to Lose**  
Choosing to Lose educates teens about choices  
and their possible consequences...

**Every 15 Minutes**  
The Every 15 Minutes program shows  
the disastrous effects that drinking  
and driving.

**Fundraising**
