Legal Coverage and Peace of Mind for Just \$6 per Payday!

An anyone who has ever retained a lawyer knows that attorney's fees can run hundreds of dollars per hour and these costs can accumulate quickly. This one-of-a-kind Legal Protection Plan offers immediate access to a host of premium legal services **at a fraction of the regular cost.**

For a low \$6 per payday premium, members enjoy the most valuable and commonly needed legal services, all from highly-qualified, experienced Plan attorneys recommended for your unique legal matter.

For situations that require ongoing attorney representation, members also receive a substantial discount on Plan attorneys' hourly fees, which can potentially save thousands.

Why You Need Legal Protection!

- 70% of all working employees are not prepared for unexpected legal costs and hassles.
- 50% of working American households will face at least one legal problem this year, and 25% will have more than one legal matter this year.
- 36% of U.S. employees are dealing with a legal issue right now.

The good news is that our members are not alone in confronting their legal challenges. Over the past three decades, our attorneys have achieved unprecedented success in resolving most common legal matters. In fact, **92% of members' legal matters are resolved during the initial consultation.**

"My wife was in a car accident and received a ticket; because I was referred to a local attorney, he knew that the judge would be willing to give her six months probation and then dismiss the ticket. Without (our enrollment in the Family Protection Plan) we would have paid the fine and seen our insurance rates go up."
