Dear Mr. West:

Thank you for providing me with the material on the New York State Correctional Officers & Police Benevolent Association's S.M.A.R.T. program.

I have reviewed the material and wish to take this opportunity to commend you and the membership of NYSCOBA for developing a truly outstanding program for the children of our state.

This program and the dedication demonstrated by the membership of NYSCOBA in reaching out will undoubtedly help thousands of young people in our region and throughout the great State of New York.

As always, if I may be of any assistance to you with any other state related matter, please do not hesitate to contact me.

Sincerely,

Debra J. Mazzarelli  
Assemblywoman
