Dear Mr. Bowers:

On behalf of the staff and students of Bilingual ECC #36, we would like to thank you for bringing the Project S.M.A.R.T. Program to our school. Your interesting and enthusiastic presentation delighted our youngsters and provided them with an essential learning experience. The fingerprinting which followed the program will help to ensure the safety of our youngsters.

It is so important to provide young children with information that will help to keep them safe and secure. You are providing an invaluable service to children, parents and schools. We hope to be able to participate in Project S.M.A.R.T. again next year and for years to come.

Sincerely,

Sonia Dávila
Principal
