Dear Mr. Fitzpatrick,

The E. John Gavras Center would like to thank NYSCOPBA for providing the funds that were used to purchase presents for this holiday season for the Center. We are very fortunate to have the support of the NYSCOPBA and employees in our area.

We would also like to thank Todd Clark, Mike Murray and Mike Woodard for taking the time to shop and deliver such wonderful presents to benefit our agency.

The toys were appreciated by the children and staff and we are all very thankful this holiday season.

Thank you.

Sincerely, *Rick Hansinger*
