Dear Members of the NYS Correctional Officers & Police Benevolent Association Inc.:

The members of the Cub Scout Pack 48 would like to extend our sincerest thank you for your contribution of \$100.00 to our Scouts. We are using the monies to chaperone the boys to their Scout camps this year.

We can not begin to explain to you the gratitude we feel for your help and interest in our organization. We feel our future leaders of our society are in our children today. As leaders we try to nurture and grow great leaders of tomorrow. Thank you for acknowledging this effort.

May the grace of God be upon you all.

Sincerely,

Linda Haight
