Dear Friends:

I would like to express the Arthritis Foundation's appreciation to you for the generous gift that you made in memory of Gloria L. Crowley. We have informed the family of the gift as you indicated.

I am sure your expression of concern is consoling to the family. This thoughtful contribution helps us to aid children and adults affected by arthritis through our research, education and service programs. On behalf of the Arthritis Foundation, I thank you very much.

Sincerely

Lillian Smith  
Customer Service Coordinator
