Dear Mr. Martin,

The Gardnertown Fundamental Magnet School Faculty and Students would like to thank you for the excellent assembly and classroom registration you gave to our students on Child Abduction and Safety.

The information that you provided to our students was very helpful and many parents have also expressed their appreciation of a job well done.

It is good to know that New York State is concerned about child safety and willing to allow representatives to come into the schools to work with students and staff.

We look forward to working with you in the near future. Thanks again for your time, effort and energy.

Sincerely,

Steven Runberg
Principal
