Dear Mike,

The Great Race Committee would like to thank you and the N.Y.S.C.O.P.B.A. members who assisted us in offering a successful Great Race XXIX Event. Your group's highly visible presence during the post-race party had a profound effect on the noticeable decrease of under-age drinking. The services that your N.Y.S.C.O.P.B.A. members carried out, made for a safer, more enjoyable experience for all those in attendance. The Great Race Committee Members all agreed that N.Y.S.C.O.P.B.A.'s participation at the Race made a big difference!

The Committee members are confident that your Children's Fingerprinting Program, at the Race, was also a success. As the Great Race Committee strives to return to a more family friendly environment, your Children's Fingerprinting Program would continue to be an important addition to the overall event.

In closing, we would like to invite you and your N.Y.S.C.O.P.B.A. membership to join us again in 2007 as we look to offer an even broader family-based program at Great Race XXX. Speaking from the Great Race Committee's point of view, your organization was a great fit and we hope the same holds true for you. We will be in contact in the near future, as the plans for Great Race XXX develop. We are very much looking forward to working with N.Y.S.C.O.P.B.A. again. Great job everyone!

Sincerely yours,

Rob Schemerhorn
