Dear Friend,

Thank you so much for everything you did to help make the 2006 Adirondack Memory Walk a success! Our sponsors play a huge role in the success of our day and your generosity enables us to provide much needed programs and services to the effected families in our communities. On May 13th approximately 150 participants came out and raised almost \$20,000 to date. We hope some folks from your organization were able to come out and enjoy the beautiful day with us.

Memory Walk® is one of the signature events of the Alzheimer's Association. We depend on this event to raise funds to support programs and services in our seventeen-county region as well as to raise awareness about Alzheimer's disease and related dementia.

Please take a few moments to fill out the enclosed post-event survey. We depend on your input to make Memory Walk 2007 even bigger and better. We hope we will be able to work together throughout the year on other efforts and continue taking steps to end Alzheimer's disease.

Very truly yours,

Danna
