Dear NYS Correctional Officers & Police,

On behalf of the National Center for Missing and Exploited Children (NCMEC), we thank you for your donation of \$ 500 towards the Bike Ride for Missing Children 2005. Your contribution was freely given with nothing of value received in return, and therefore qualifies as a charitable contribution under IRS regulation.

Your donation will be used to distribute posters of missing children and to enhance our community education program. Thank you again for helping to keep our children safer...one child at a time.

Sincerely,

Katherine Slocum
