Dear Sgt. Martin:

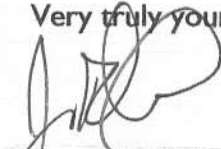

On behalf of all staff at Shawangunk Correctional Facility, please accept my thanks for your efforts as Cops Care Coordinator during the activities surrounding our recent successful 5K Run/Walk in honor of fallen Correction Officer Laura Giordano.

Your service to the community captured the spirit of Laura, who was known for her caring manner and community service.

Efforts such as this advance the reputation of our staff and bring credit to the facility.

Sincere thanks and good luck with your new assignment with NYSCOPBA.

Very truly yours,
