Dear Mr. Fitzpatrick:

Just a note to thank you for your kind donation to the Ogdensburg Boys & Girls Club in support of our "Passport to Manhood Program." The program should be instrumental in teaching morals and values to our young male members.

Please express our appreciation to all involved who helped to make this donation happen and for the investment in the youth of the North Country.

I have also been in contact with Correction Officers Billy Sellers and Mike Powers, and we are making plans to implement the "Choose to Lose" program at the OBGK in the near future. We are excited about this program and after viewing the videos and looking at the curriculum; I feel that this will be an excellent program to help educate our older members.

I also need to thank you for the shirts, they look great. Would it be possible to get 10 – 15 more at adult large sizes for our larger members, the youth sizes are just too small. We would be willing to purchase them if you would put me in contact with the correct person. The extra shirts we will use for our SMART Moves Program, a program similar to Passport to Manhood for our younger members.

I will be forwarding a picture to you in the near future and again many thanks for your kindness and support.

Sincerely,

Thomas P. Luckie, Jr.
